Dear Brady:

Please let me know at once where you have put us for June 5th. Abe said we were playing The Elites in Norfolk June 3rd and 4th, and some place on the Eastern Shore June 5th.

I want to know what has been arranged right away, so I can plan for rooms for the team.

We are to play The Elites in Hagerstown May 6th, so I hope you have us some where where we can make the jump without too much trouble.

I will appreciate hearing from you right away.

Very Truly Yours
